OUR COMMITMENT TO THE PLANET

Sustainability is a mindset ingrained in the very fabric of our business model. We focus on impactful, long-term changes that benefit our people, partners and the planet. Here are some of our key initiatives:

REMANUFACTURING

We operate one of the world's largest remanufacturing operations, driving the circular economy.

SOLAR POWER

Our > 26,000 solar panels generate a peak power output of > 7.9 megawatts.

RECOGNITION & AWARDS

UNITAR SDG Champion
Committed EcoVadis

OUR PEOPLE: DRIVING SUCCESS TOGETHER

Our more than 5000 employees are at the heart of our organisation. With an employee engagement score of 82%, we're proud to create a safe, **open-minded** environment where people can **act with joy, pursue excellence, take initiative** and **show courage**. Here are some of our initiatives:

SAFETY FIRST

In 2024 we rolled out the global Safety Bee program; this program puts the responsibility of each and everyone's safety in our own hands with local and global initiatives.

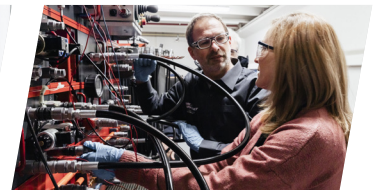

WELLBEING

With our Nudge program, we want to support everyone's healthy, active and balanced lifestyles.

DIVERSITY, EQUITY AND INCLUSION

At TVH, we create an inclusive environment and value every single person. Diversity, equity and inclusion are part of our core processes and provide equal opportunities.

LIFELONG LEARNING

TVH University provides the entire TVH workforce with lifelong learning opportunities. Our internal portfolio currently offers more than 5,000 training courses.
