TVH 2026: OUR COMMITMENT TO THE PLANET

Sustainability at TVH is ingrained in the very fabric of our business model. We focus on impactful, long-term changes that benefit our people, partners, and the planet. Here are some of our key initiatives:

DRIVING THE CIRCULAR ECONOMY THROUGH REMANUFACTURING

We operate one of the world's largest remanufacturing hubs, where more than 250 technical experts restore over 100,000 parts annually to as-new condition, significantly extending equipment life cycles.

POWERING OPERATIONS WITH SOLAR ENERGY

Our commitment to renewable energy is powered by over 26,000 solar panels, generating a peak power output of more than 8.1 megawatts, a capacity that continues to grow year after year.

GLOBAL RECOGNITION & SUSTAINABILITY STANDARDS

TVH is proud to be recognised as a UNITAR SDG Champion. We have also renewed our 'Committed EcoVadis' sustainability rating, reflecting our ongoing dedication to meeting stringent global environmental and social standards.

OUR PEOPLE: DRIVING SUCCESS TOGETHER

Our more than 5,000 employees are at the heart of our organisation. With an employee engagement score of 77%, we're proud to create a safe, **open-minded** environment where people can **act with joy, pursue excellence, take initiative and show courage**. Here are some of our initiatives:

SAFETY FIRST

To elevate our safety program, we rolled out the global Safety Bee campaign in 2024, focusing on placing the responsibility for safety in everyone's hands.

WELLBEING

We care about our people, and our Nudge well-being program to support everyone's healthy, active and balanced lifestyle is the perfect example of that.

DIVERSITY, EQUITY AND INCLUSION

At TVH, we create an inclusive environment and value every single person. Diversity, equity and inclusion are part of our core processes and provide equal opportunities.

LIFELONG LEARNING

TVH University provides the entire TVH workforce with lifelong learning opportunities. Our internal portfolio currently offers more than 1,700 training courses.
